The Santo Stefano Outpatient Centre in Jesi in the province of Ancona provides exclusive, highly specialised treatment for autism spectrum disorders in patients from 18 months to 18 years of age. The team's priority objective is to draw up a socio-school and family integration plan through habilitative/educational paths, actively involving the parents as well, with parent training meetings and during observation sessions with the ABA supervisor. Rehabilitation projects can be carried out on an outpatient, home or extramural basis, adapted to meet the patients' social and family needs.

The centre is located near the town centre, on the second floor of the Arcobaleno Shopping Centre and it collaborates with the Fano Regional Centre.
