

Fidia is located in the Villa Pini Private Clinic. The Fidia rehabilitation outpatient clinic provides manual and instrumental physiotherapy treatment, protocols in the gym and in the rehabilitation pool with programmes coordinated by the doctor and managed by the rehabilitation team. The centre has a large rehabilitation pool, a gym and outpatient clinics for examinations and therapy.

Thanks to the link with the Villa dei Pini clinic, complex clinical-diagnostic examinations can also be carried out, as can pre-op functional treatment and post-op rehabilitation programmes.
