Access - Admissions

In order to access medical and surgical inpatient services, either with the National Health Service or privately, you need a prescription from your GP or specialist, with which you can then contact the nursing coordinators at Villa dei Pini by calling +39 0733 1930310.

Access - Diagnostics

You can book analyses and diagnostic exams directly online, or call +39 0733 1930310 or call in personally.

Book online

To confirm the booking, you must have the patient's identity card and tax code to hand. We remind you that services must always be registered in the name of the patient. Advance online payment by credit card, prepaid card or debit card is required.
