The clinic offers three types of admission, in collaboration with Mental Health Departments

- **Intensive Hospital Rehabilitation (Italian ROI)**
For patients in crisis or post-acute psychiatric care. Short-term stays (up to 30 days) to start a therapeutic-rehabilitation project.
Capacity: 15 beds.

- **Residential Non-Hospital Admissions (Psychiatric Residential Structure: SRP1, SRP 2.1)**
Rehabilitation paths of variable intensity for patients with complex psychopathologies and disabilities.
Capacity: 40 beds.
- **Hospitalisation in Nursing Home**
For people over 65 with psychogeriatric pathologies or who are not self-sufficient.
Capacity: 19 beds.

Requests for hospitalisation come from the Territorial Mental Health Services, which authorise admission to the clinic **by means of a referral**.
